Name: Clarke H. Converse  
Street: 919 Willow Point  
City, State, Zip: Newport News, VA 23602  
Phone Number: (757) 989-0221  
Email: clarkeconverse@cox.net  
Utility Type: all  
Company Name: All Utility Lines  
Comments: All utilities should be burried over a long period of years to prevent constant outages during storms, hurricanes, etc. I understand the additional costs but not only are underground utilities more stable, they are certainly more aesthetically pleasing.
